More fun. Less fees.

We have two simple booking options for Exchange and Bonus weeks. Simply choose the Fix-It or Flex-It booking option to travel on your terms.

→ Exchange	Fix-It	Flex-It
Credited fee	No	Yes
Returned deposit credit	No	Yes
Rebooking option	No	Yes

→ Bonus	Fix-It	Flex-It
Credited fee	No	Yes
Rebooking option	No	Yes

Credited fee

When booking with a Flex-It option, the transaction is fully refundable up to 24 hours before check in. Any monetary amount related to the transaction will be returned to your account as a monetary credit (no refunds will be issued). This includes any exchange fee, bonus fee, upgrade fee and relevant taxes paid. The monetary credit will be available on your account for 2 years.

Returned Deposit credit

If a deposit was used, the Deposit credit will be returned to your account with the original expiration date. If your deposit is past its original expiration date, the deposit will not be returned.

Rebooking option

When booking with a Flex-It option, in the event you need to change your booking, you can do so paying only the difference between your original booking and the replacement booking, if there is one.
